

# GUIDE TO COMPARATIVE DEVICES

Simile | Metaphor | Analogy | Conceit

## SIMILE

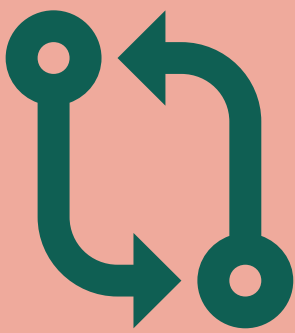

A **clear** comparison between two similar things

"Her hairs are like black wires"

"Her hairs are as black as wires"

## METAPHOR

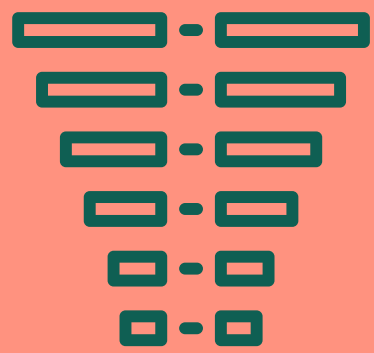

An **implied** comparison between two similar things

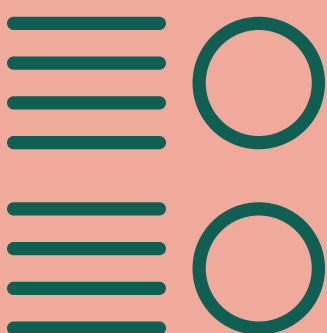

"Black wires grow on her head"

## ANALOGY

An **extended** comparison between the **parts** of two similar things

## CONCEIT

An **extended** comparison between the **parts** of two **different** things
